SUBJ: CLEANLINE MODIFICATIONS

Thank you so much for the considerations shown me during the Cleanline upgrade.

I'd like to take this opportunity to tell you how impressed I was with the help I received from Dennis Mitchel, Fred Weberking, the operators - John Childers, Art Ray, Steve Alsup, and Eric Cook. Their hard work, long hours, and knowledge of the production line made a difficult conversion go smoothly.

I know we have more work to do, but I'm confident we will be successful.
