Mr. Fred Webberking
600 Pine Street
Apartment K4
Sikeston, Missouri 63801

Dear Mr. Webberking,

Thank you for attending our 1 day Sullair air compressor school on Friday 2/10/95.

You will find in the near future this course will help you understand and troubleshoot the following items:

- A. Basic components
- B. Shaft Seal
- C. Bearing Filters & Separators
- D. Oil Flow & Lubrication
- E. High temp Shutdown
- F. After Coolers Air or Water
- G. Pressure Switches
- H. Pressure Regulator
- I. Sullicon Control
- J. Thermal Valves

If HTE can be of assistance please call.

Sincerely,

HOUSE OF TOOLS & ENGINEERING, INC.
