# *Congratulations*

Dear Fred,

Congratulations on becoming a Certified SafeStart Trainer for Fitesa. Your certificate is enclosed; if there is a spelling error, please let us know and we will promptly send you a corrected version.

Your success as a SafeStart trainer will mean that you are contributing directly to preventing injuries and saving lives – and hopefully enjoying the experience too!

We invite you to take advantage of the community of SafeStart trainers that are sharing their training tips, questions and expertise on the [Certified SafeStart Trainers LinkedIn Group](#). If you haven't already, please register as a trainer on the SafeStart website (see over), and you'll receive an invitation to join the group. In addition to engaging with hundreds of client trainers from around the world, you'll also [benefit from the expertise of our SafeStart Consultants](#) who can respond quickly and directly to any challenges you may experience.

As a trainer, you can help us with our vision to deliver SafeStart to *every child, in every country, in every language*. We encourage you to use your SafeStart resources and expertise in your youth community – and share your initiatives with the SafeStart Community on LinkedIn.

Thank you, and Good Luck!
