Dear Frederick Webberking,

Congratulations on your success on the certification exam. You have met the scoring requirements for a successful examination and are now recognized as a Certified Maintenance and Reliability Professional (CMRP).

The graph below provides feedback on your examination. The blue bars indicate the percentage of questions you answered correctly.

Your CMRP certification is active for three years, after which time you must recertify. Recertification information is available on the SMRP website, and SMRP staff is happy to assist you with any questions.

Once again, congratulations on your achievement and best wishes for future success.
